It's picnic planning time!

All of us at Picnics Plus! are happy to share our 2011 picnic planner and menu with you. This piece has been designed to offer you a superb selection of creative menus plus all the activities and entertainment needed to plan the perfect summer get-together!

Since 1992 Picnics Plus! has prided itself on the freshest and best picnic food to be found and this year is no exception. We've added specialty seasonal menus like the 'Oktoberfeast' as well as unique regional fare including 'Taste of the South Up North' and 'A Fiesta Feast.' As always, our clients love the classics and we have them a-plenty! With fifteen themed menus for you to choose from or the option to build your own customized feast, there's something for everyone.

Don't just take our word about Picnics Plus! Recently, we earned critical acclaim— Picnics Plus! received a Vision Award from Meetings: Minnesota's Hospitality Journal for "Event of the Year!"

From lunches cooked fresh in the company parking lot to large-scale gatherings at the park, we look forward to making your picnic award-worthy!
